

# Home

Header will use a burger menu for navigation on all pages.

The images are on a carousel that automatically changes but will also have buttons for the user to press to change them.

Find out more button links to about page.

Further down the homepage we see the three membership options.

"Contact" will be a different colour to the rest of the text and if clicked will bring to the contact page.

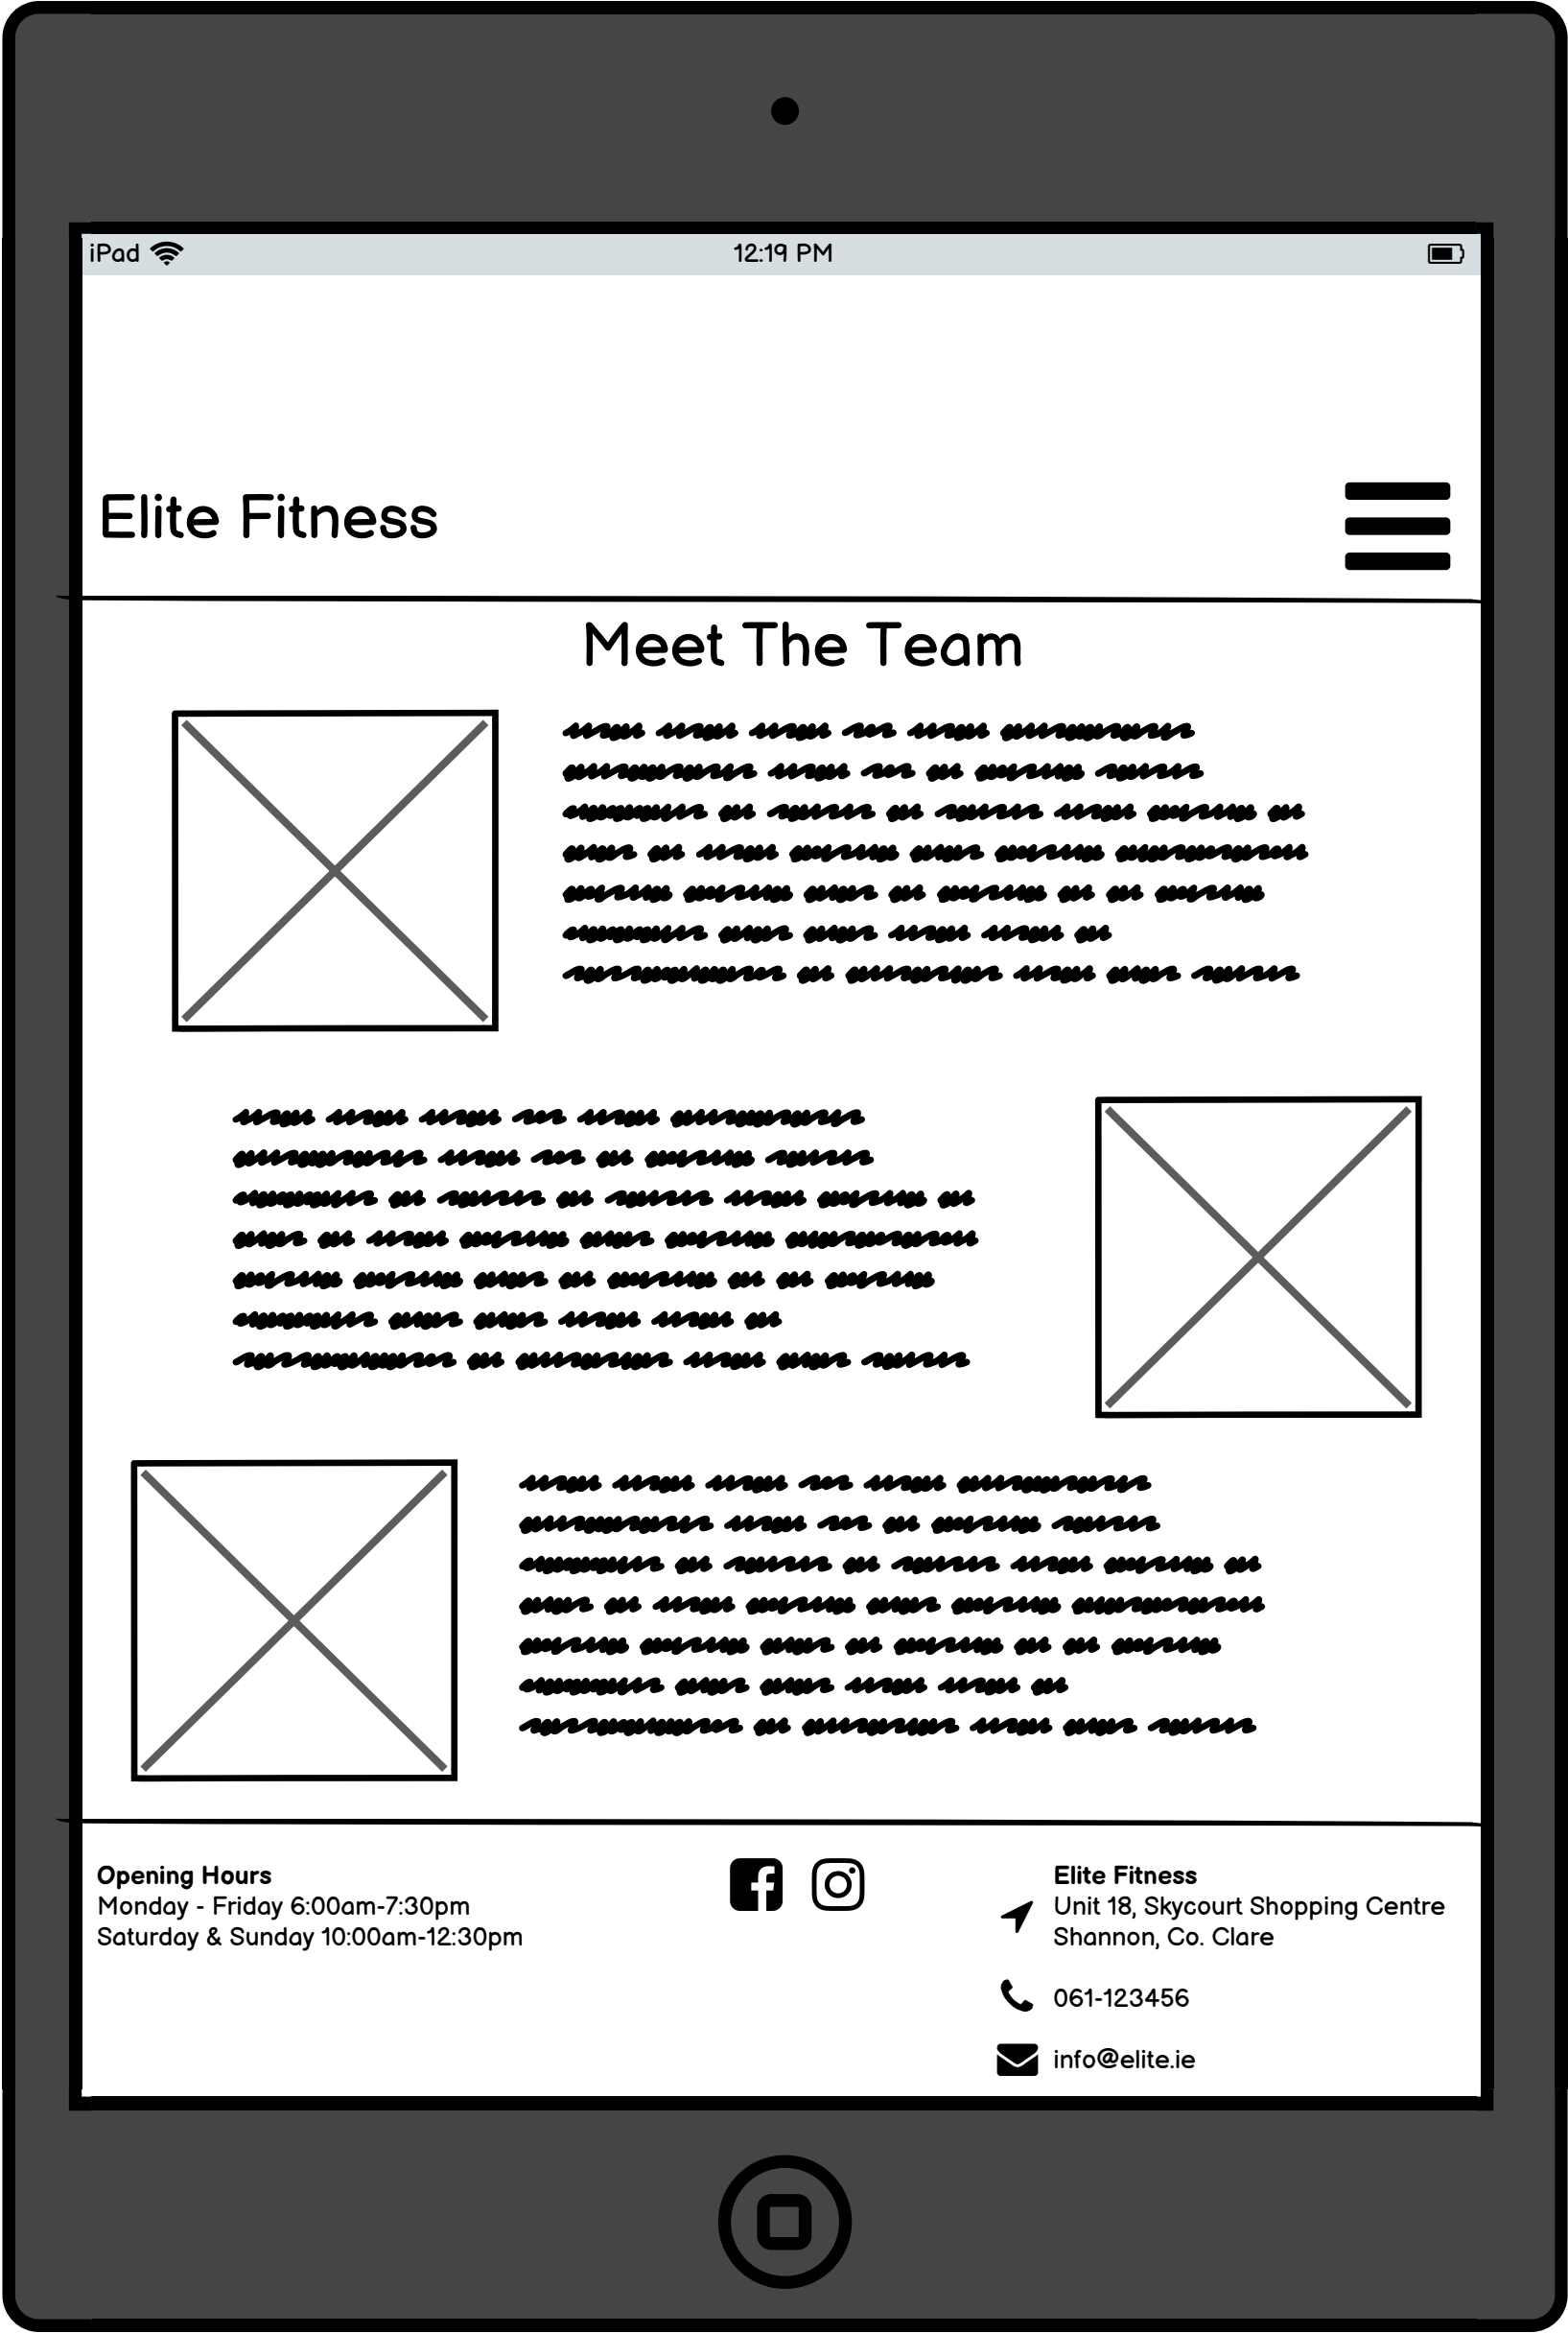

Underneath we will have thumbnails of images in place of the gallery.

The footer will be the same as desktop view.

# About

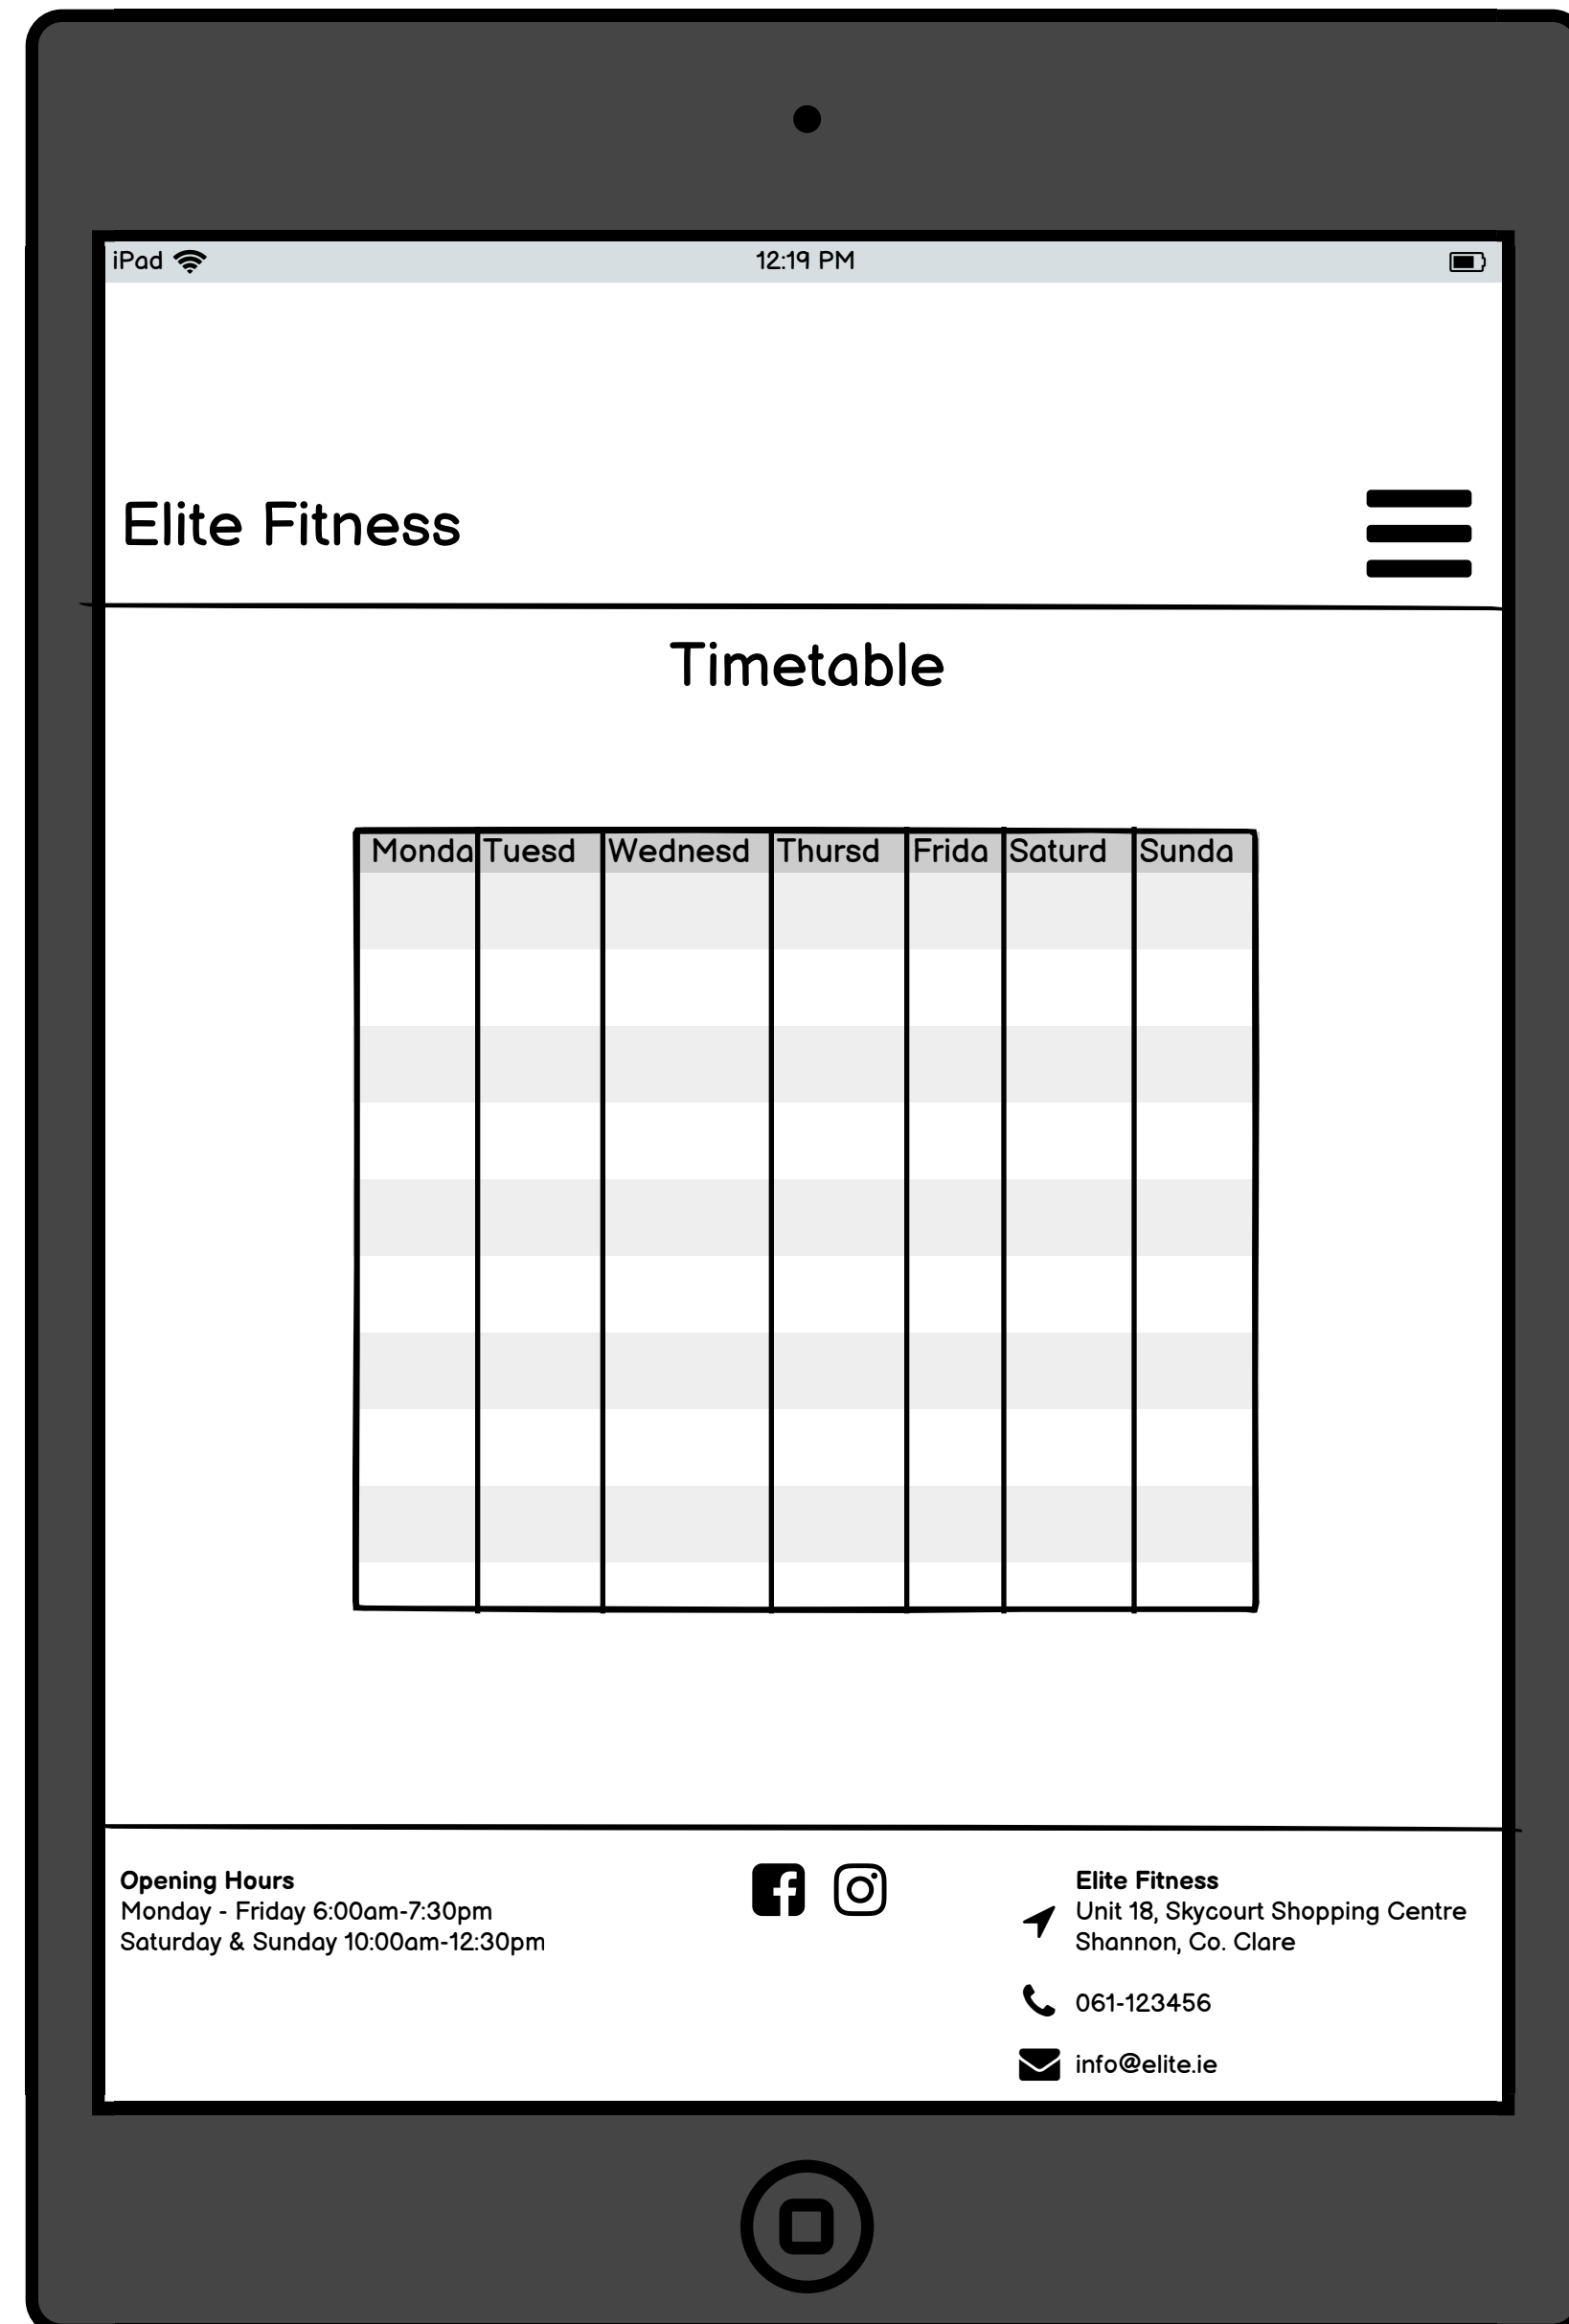

About us information shown first with a picture of inside the gym underneath.

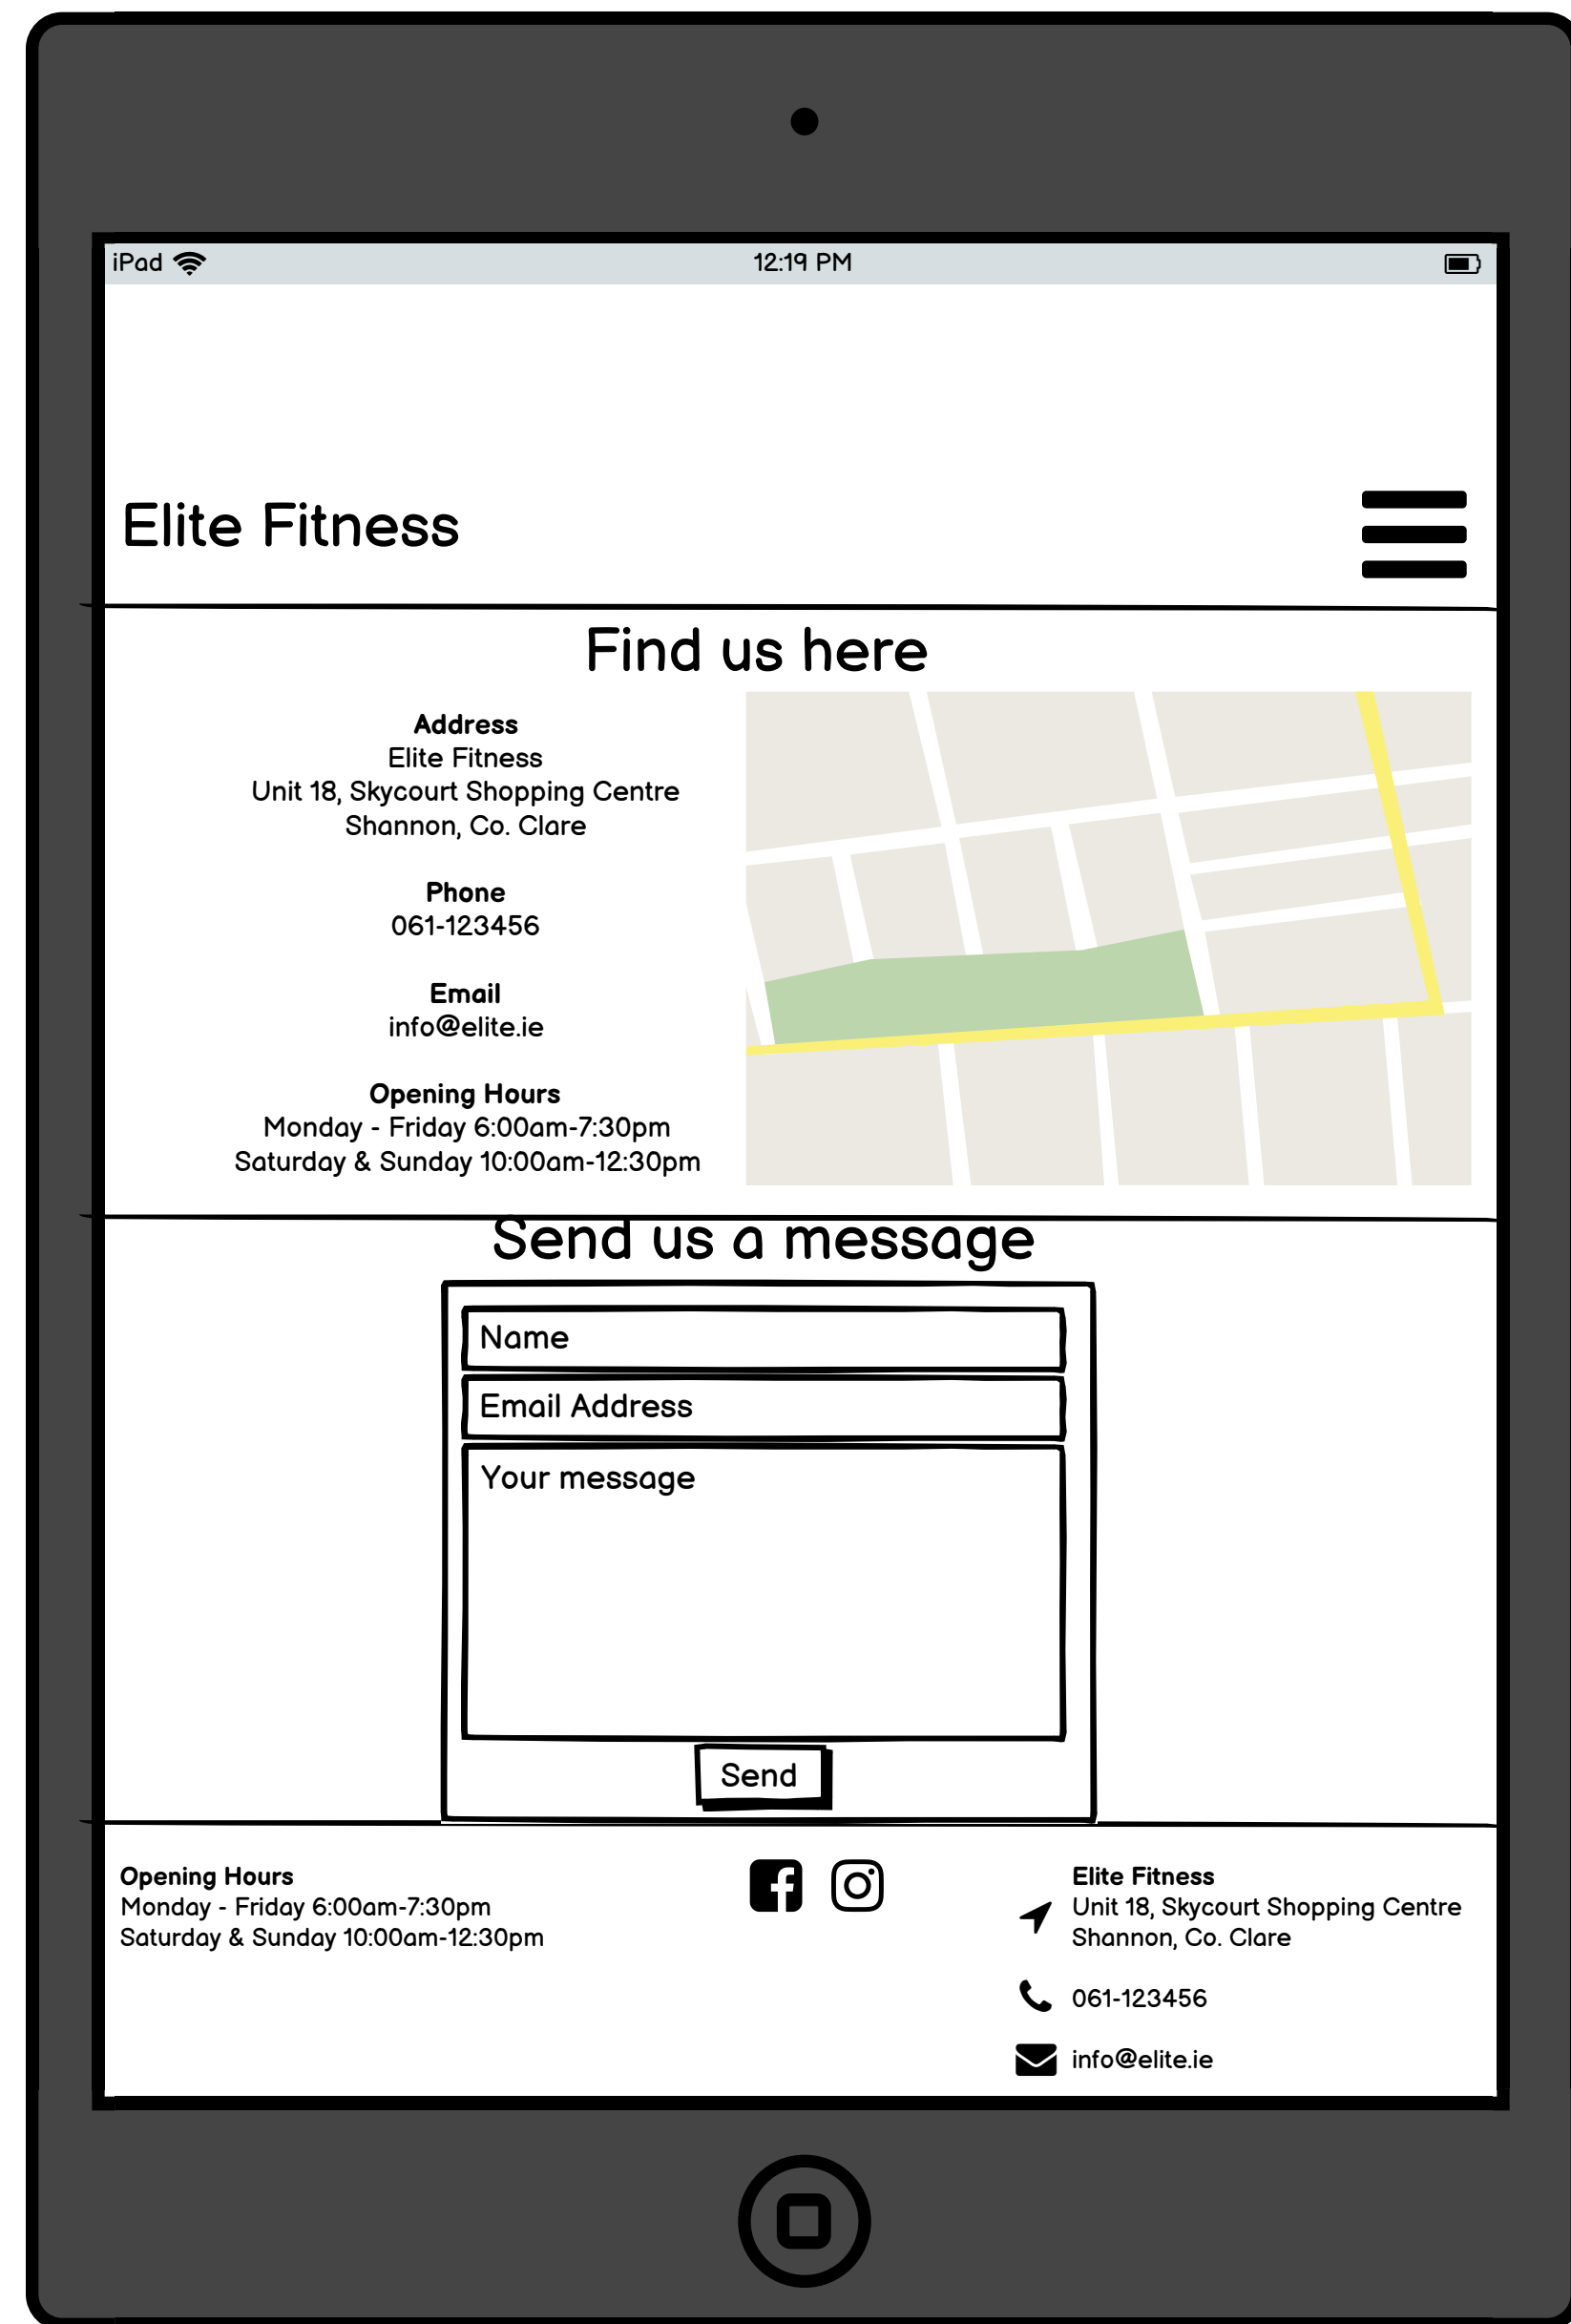

User will scroll down on the About section to see the Meet The Team section.

# Timetable

Timetable shown here.

# Contact

Contact info etc and form shown side by side. Contact info aligned to left instead of center. Map shown underneath.
