

Business name here and will feature across all pages. Is clickable to return to Home.

Five pages for the website based on User Stories.

Change colour on hover & when on the page.

The Home page has images of the gym that take up most of the screen. These images are on a carousel that automatically changes but will also have buttons for the user to press to change them.

Find out more button links to about page. Will be different colour to text above and will change on hover.

Footer across all pages will contain opening hours, social media links and contact information.

Social links change colour on hover.

Further down on the Home page the three membership options are shown.

"Contact" will be a different colour to the rest of the text and will change colour on hover and if clicked will bring to the contact page.

Instead of a gallery, there will be thumbnails at the end of the home page with pictures.
