info@elite.ie

---

Header across all pages will feature company name and a burger menu for the navigation. This will be sticky navigation for the mobile site

Image carousel featured again. Will automatically change and also swipe to change photo instead of arrow.

Find out more button links to about page.

Three membership options shown on the one page. User will scroll down to see them all.
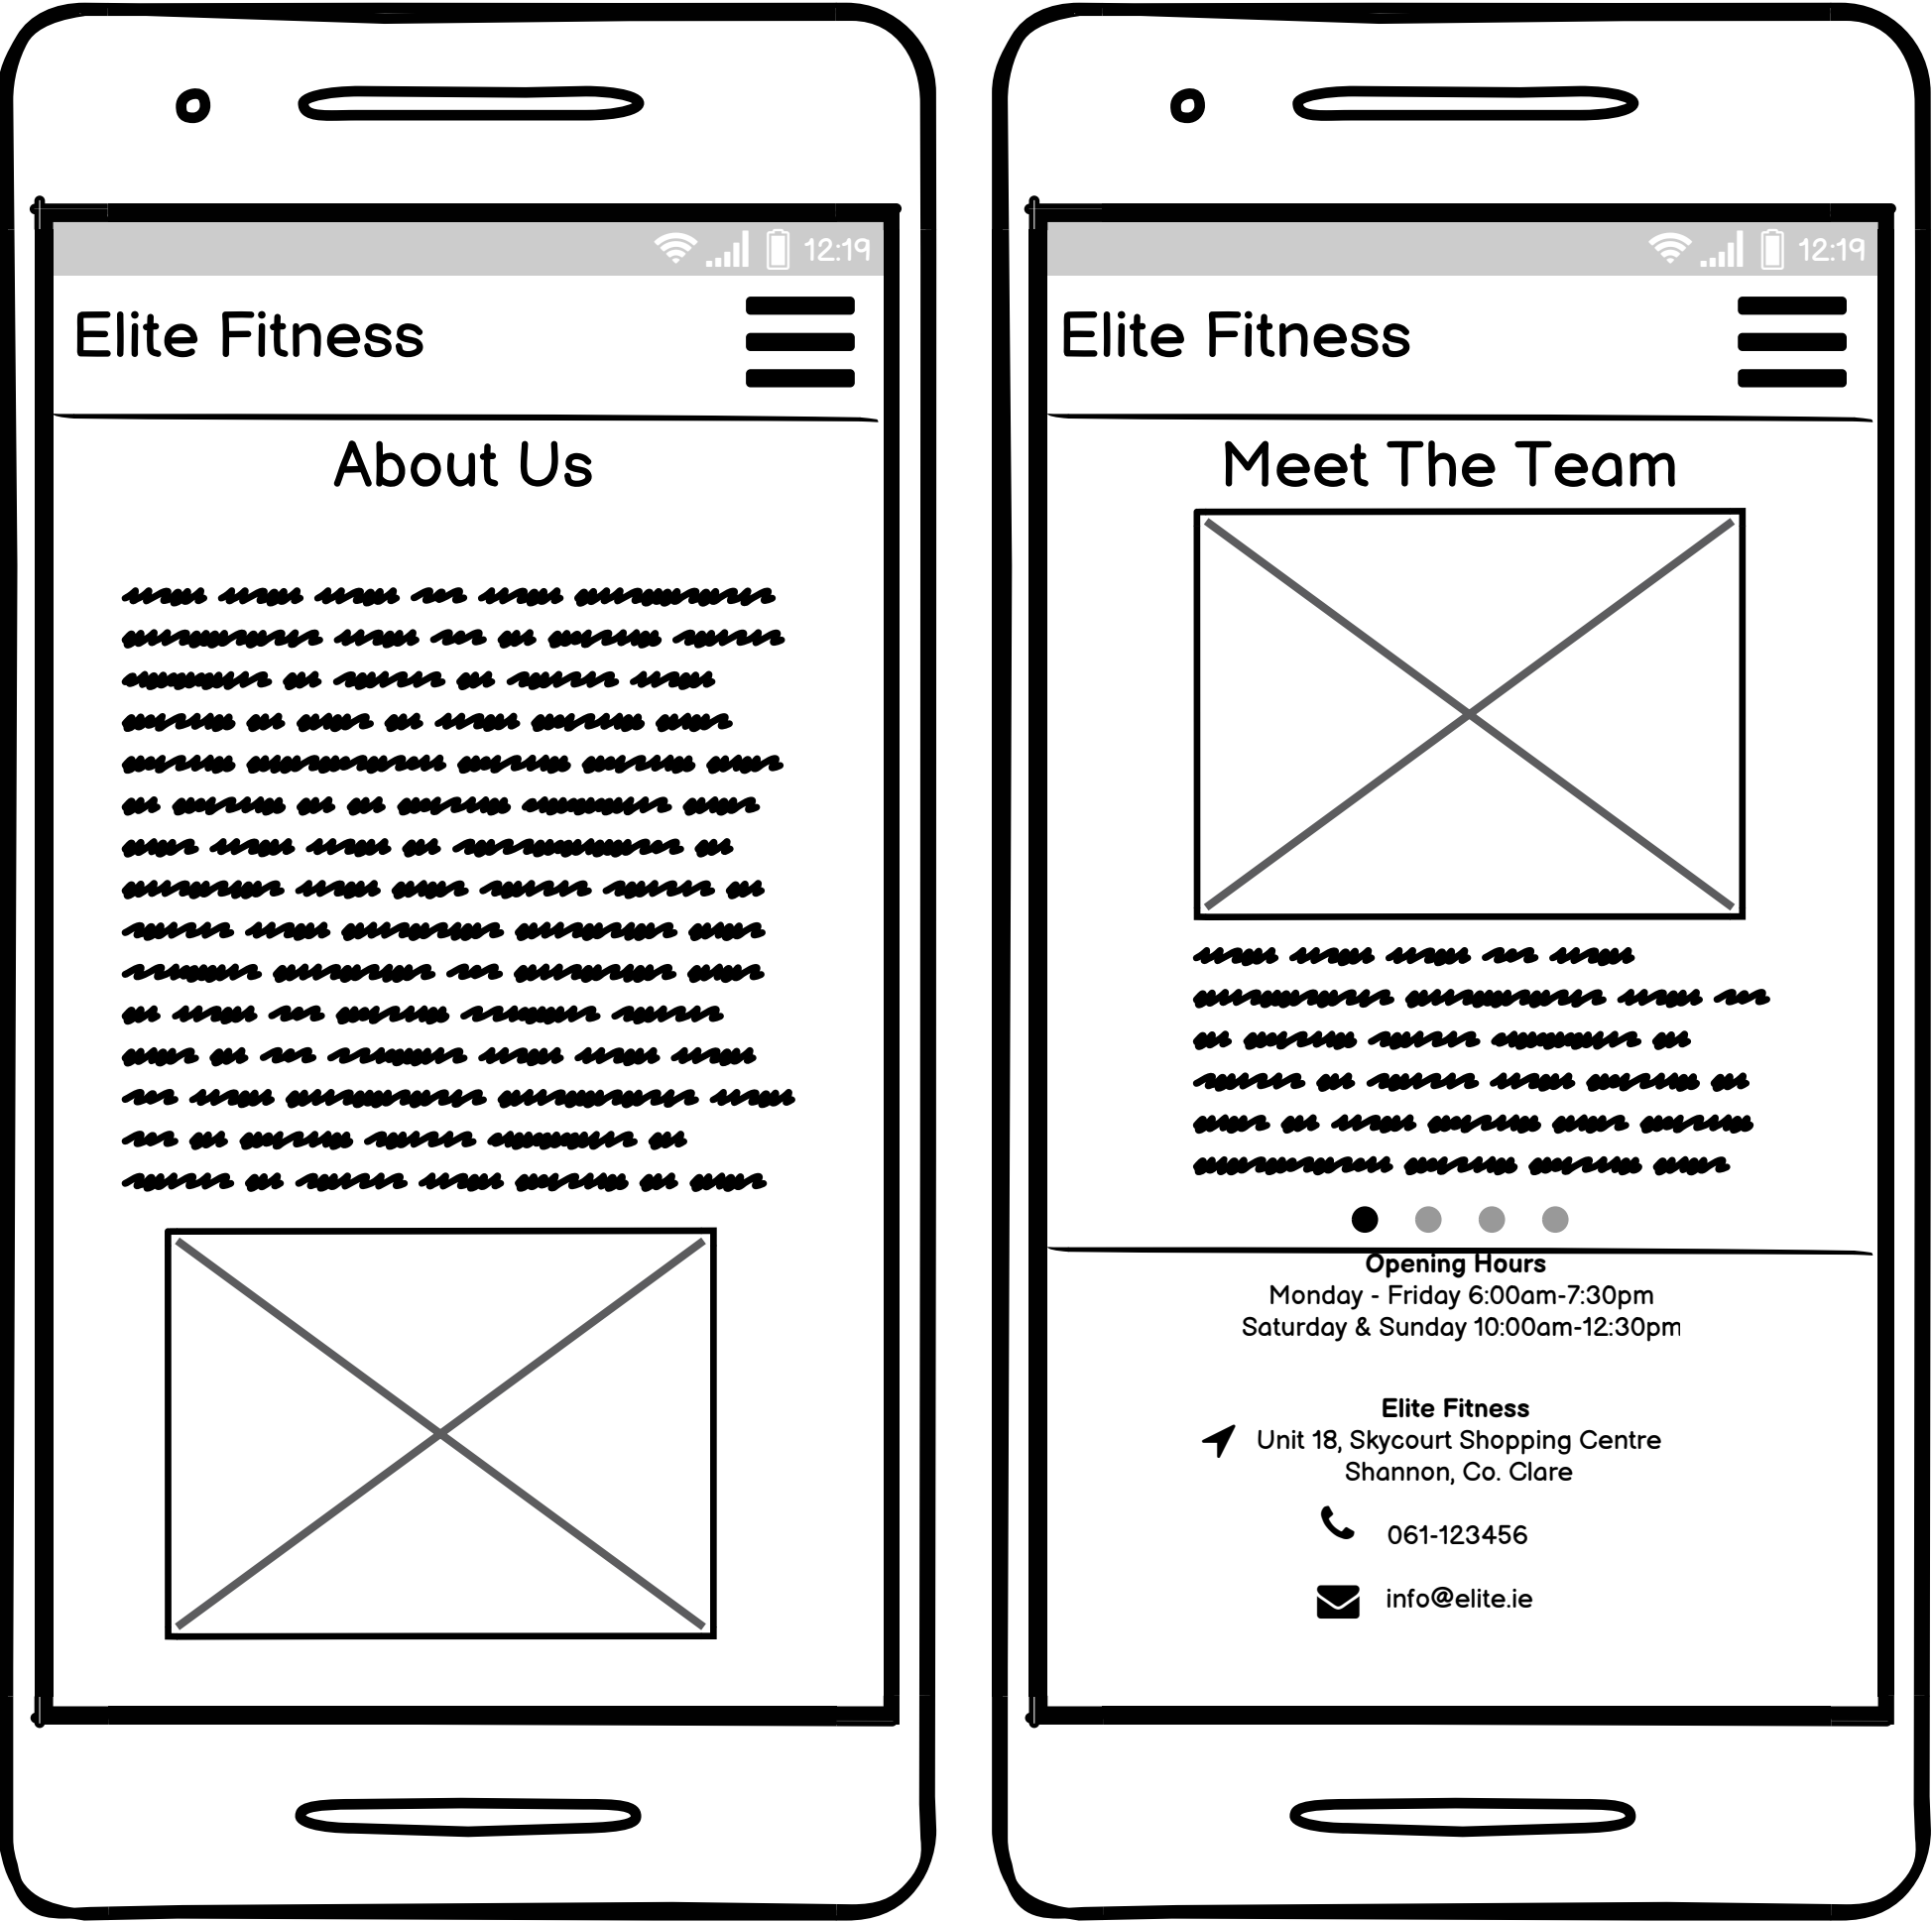

"Contact" will be a different colour, and will link to Contact page.

There will be thumbnail images instead of the gallery.

The footer across all pages will have the same info as desktop/tablet but it will be stacked.
